High-performance solutions for schools

# EMPOWERING SCHOOLS

## Vision

Promote and achieve excellence in  
education systems to improve the quality of citizenry

High-performance solutions for schools in improving **STANDARDS**

**Saburi Education Solutions**, is an education service provider, enabling schools in attaining national standards and international benchmarks through its customized programs.

We specialize in transforming schools across pre-primary, primary, secondary, and higher secondary sectors through **comprehensive services** focused on:

School Reform

Teacher Professional  
Development

Quality Assessment

Academic &  
Institutional Audits

**We provide tailored services that empower school management to drive educational excellence which include**

- ◆ Data-Driven School Improvement: Equipping schools with insights to make informed decisions that improve performance.
- ◆ Fostering Educational Excellence: Supporting schools to achieve and maintain high educational standards through targeted strategies.
- ◆ Monitoring Holistic Outcomes: Evaluating both academic and non-academic progress to ensure well-rounded development.
- ◆ Optimizing Teaching-Learning Systems: Enhancing instructional practices for superior learning experiences.
- ◆ Custom Assessment Tools: Creating bespoke evaluation and appraisal tools suited to each school's unique needs.
- ◆ ISO 21001:2018 Compliance: Guiding schools to implement international standards for effective management and education systems.

## Today, the Schools are functioning with these limitations

Students learn in instruction-oriented, teacher-centric classrooms

Teachers lack the support of continuous professional development

Parents less concerned about the holistic growth of their children

Schools fall short on national standards and quality benchmarks

Managements lack on the significance of academic & institutional audit

Promoting Excellence through Continuous Professional Development (CPD)

## CPD is vital for every school and educator

As primary stakeholders, students benefit when schools embrace:

- ◆ **Modern Learning Environments:** Shifting from instruction-based, teacher-centered classrooms to student-focused learning.
- ◆ **Continuous Teacher Development:** Supporting teachers with ongoing training and development to stay ahead of evolving educational demands.
- ◆ **Holistic Student Growth:** Engaging parents and schools in the balanced development of children.
- ◆ **National Standards Compliance:** Helping schools meet quality benchmarks and exceed national standards.
- ◆ **Academic & Institutional Audits:** Raising awareness among management about the importance of regular audits to ensure excellence.

## Saburi School-Based Services

We offer a Year long **School Improvement Program (SIP)** and **School Transformation Program (STP)** to drive sustainable change. Based on a thorough **Baseline Study**, our programs cover:

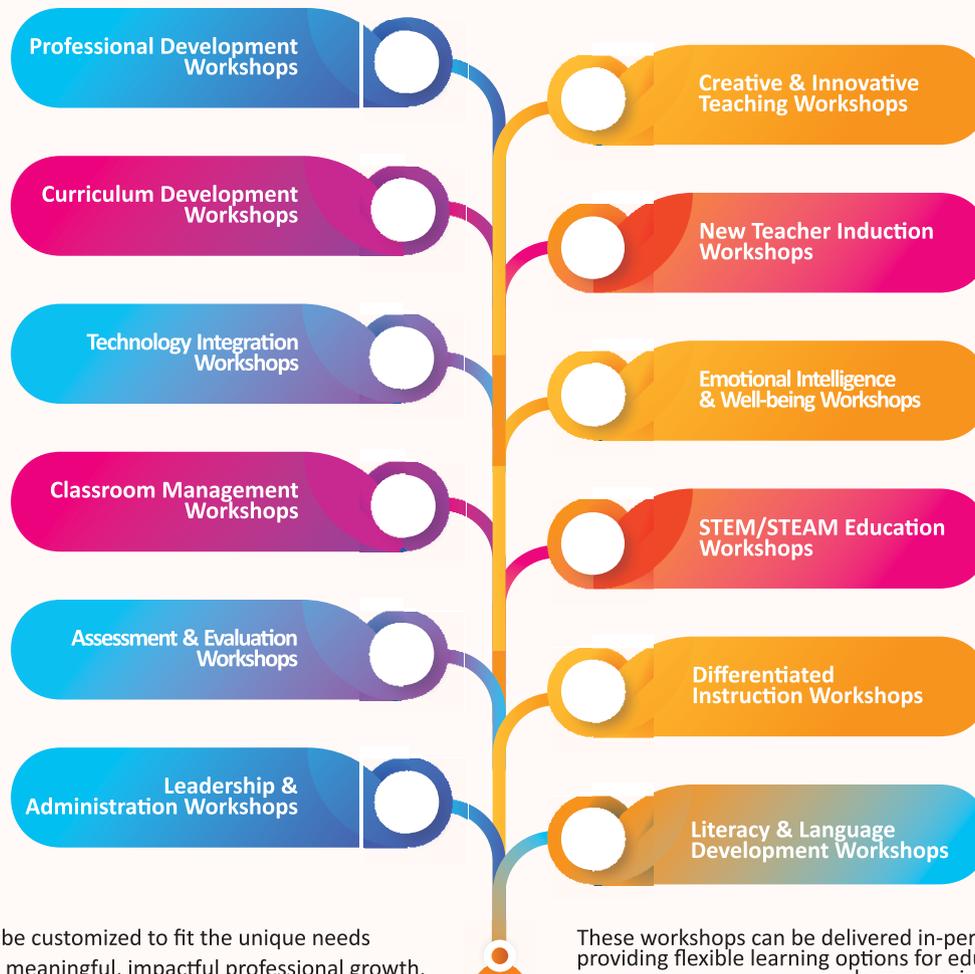

## Workshops for Educators & Schools

Our capacity-building workshops enhance teaching and learning across all levels, featuring:

- ◆ **Interactive and Structured Sessions:** Focused on improving educators' skills, knowledge, and practices.
- ◆ **Curriculum and Classroom Workshops:** Practical applications in teaching methodologies, technology integration, classroom management, assessments, and more.
- ◆ **Leadership & Innovation Workshops:** For school administrators and new teachers to develop leadership qualities and innovative teaching approaches.

## Workshop Categories Include

Here are different types of workshops designed for teachers, each focusing on enhancing specific skills and aspects of their professional development:

Each of these workshops can be customized to fit the unique needs of a school & its teachers, ensuring meaningful, impactful professional growth.

These workshops can be delivered in-person, online, or in hybrid formats, providing flexible learning options for educators to develop new skills and share experiences.

**Services for Colleges of Education- ECCE, Elementary, B. Ed and M.Ed. Colleges** We also support colleges with trained mentors, year-long programs, comprehensive handouts, and both online and offline support systems to enhance teacher training and development.
